Quote:

Change log

		Fixed bug: block not working if outside a news module page (by bandit-x and trabis)
		Added a check to prevent errors if the news module is not installed and active (by trabis)
		Added option multiselect topics (by trabis)
		Added option 'sort by' (by trabis)
		Added limit to "More News" link (by young)
		Added danish translation (by anderssk)

		Thanks to all translators

		Enjoy!
